Description of Property and Eligibility Determination: (Use continuation sheet if necessary and attach map and photo)
The Kennedy-Johnson House is an example of a double house which was built in 1900 according to the tax records, and it appears on the "Bird's Eye View of Havre de Grace" drawn by Fowler and Kelly of Morrisville, Pennsylvania and published in 1907. The house was previously surveyed by Jean Ewing in the 1970s. Some changes have occurred since it was described in the earlier MIHP form.
The Kennedy-Johnson House is a 2-1/2 story duplex, with a side hall entrance for each dwelling. Although the houses are owned by one owner, they are not joined, but are used as one house according to the current owner, Mrs. Donna Pernak (conversation with Anne Bruder, SHA Architectural Historian, July 9, 2003). A rear L, 2-story gable addition appears to be original, since it is shown on both the 1907 Bird's Eye View as well as the 1910 Sanborn Insurance Company Map. However, since the 1970 survey, a second addition has been built on the east side of the house. It is a one story, side gable addition that is smaller and stepped back from the main building, so that it is clear that it is of recent construction. The MIHP form also mentions interior chimneys, but these are not apparent, and the roof is covered in composite shingles. The two over two windows, doors, and shed roof porch, along with the asphalt shingles, and two front gable dormers in the attic all appear to be original or built within the period of significance (1900 to 1935).

NR-ELIGIBILITY REVIEW FORM

Kennedy-Johnson Double House

-

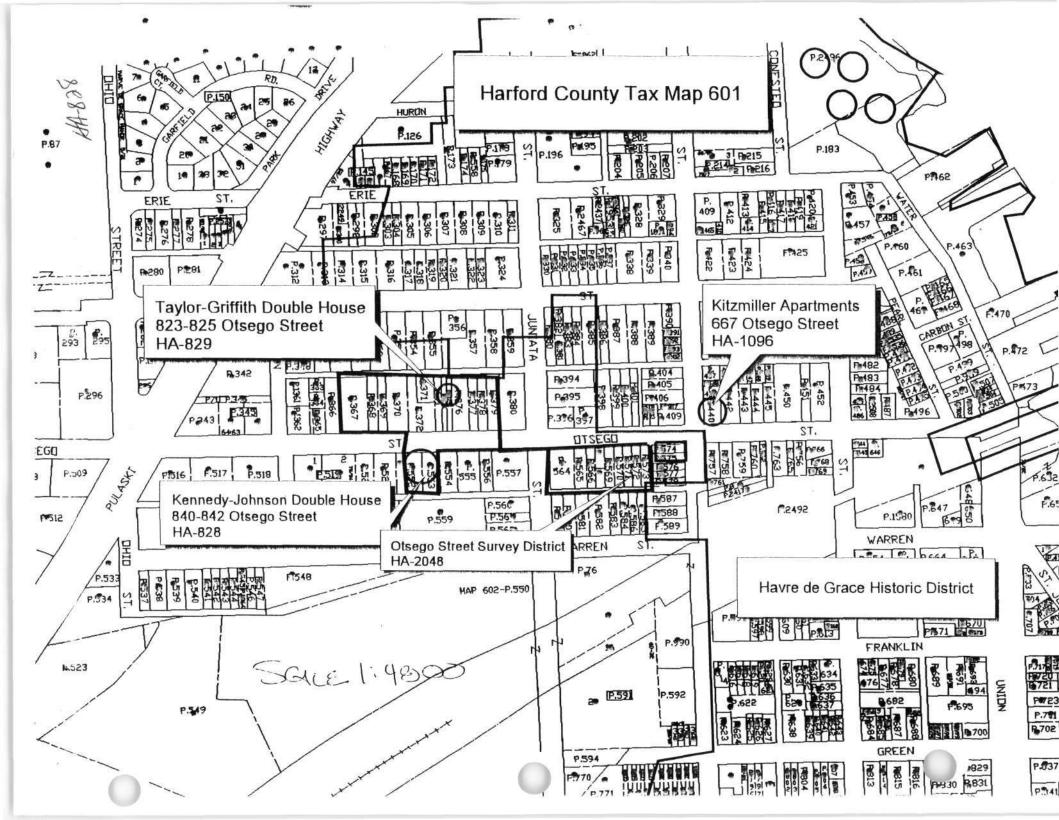

Inventory Number:	HA-828	

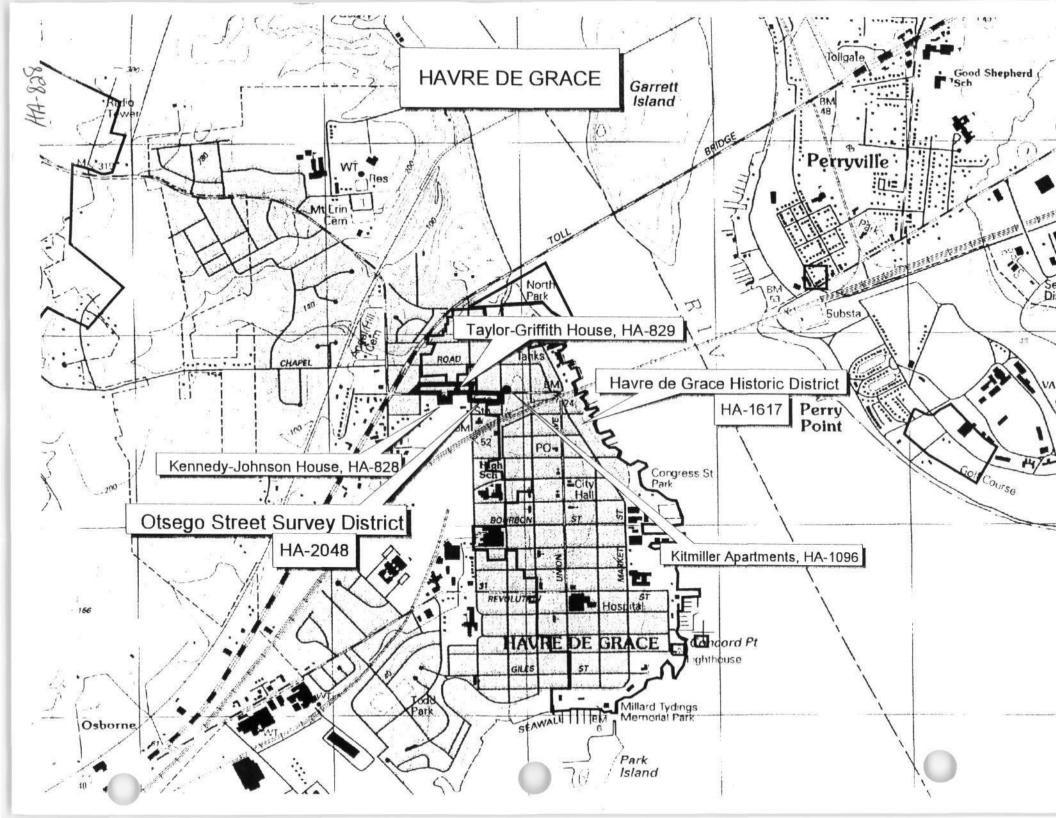

Page 2

The Kennedy-Johnson House is not individually eligible for inclusion in the National Register of Historic Places, but is a contributing element to the Otsego Street Survey District, a larger group of similar houses in the 700 and 800 blocks of Otsego Street. It is therefore eligible under Criterion C (architecture) for the National Register. Research did not indicate any signifiance for the house under Criteria A or B, and Criterion D was not included in this study. Please review the form for the Survey District (HA-2048) for additional information.
